# LEX WOOD

COSTUME DESIGNER / [lex-wood-is-online.com](http://lex-wood-is-online.com)

---

Lex Wood began her career working in the Costume department on high end TV and big budget features including Game of Thrones and Dumbo before becoming a Costume Designer in her own right.

She has curated a varied and interesting portfolio, working on projects with some of the industry's most exciting directors including Alice Seabright, Ella Jones and Rachna Suri.

Most recently Lex collaborated on The Wheel of Time for Amazon shot on location in Prague directed by Uta Briesewitz, Salli Richardson-Whitfield, and Wayne Yip. She also designed Miss Fortunate directed by Ella Jones starring Ben Whishaw.
