## **Credits-**

### **On screen**

**Murder in Provence (2021)**- I worked on this ITV series as a trainee under makeup designer Laura Miles, maintaining continuity, applying makeup to cast and other general trainee responsibilities.

**Queens of mystery season 3 (2021)**- Working as a junior under designer Lisa Halstead as a daily, applying makeup and maintaining to the SA's for continuity.

**Mr Blunden (2021)** - A sky original remaking this 70's mystery film. I worked as a trainee with designer Jutta Russell, helping with prep for filming.

**Hope (2021)**- A film in with the British fashion council with designers Vin & Omi and a huge all star musical cast. Working as a supervisor, and assisting the makeup designer (Michelle Strain.) This short film was working on all ethnicities with a variation of looks ranging from natural to an editorial. We also worked styling the natural hair as well as wig application and styling.

**Names (2021)**- A fashion film with designer Alvaro Mars on the British Fashion Council schedule. Working as a supervisor under designer Michelle Strain we worked to design 26 makeup looks to suit the brief, also working with a VR backdrop. The hair and makeup application was suited to all ethnicities, and ranged in colour depth.

**Like I said (2020)**- An award winning script transformed into a short film. I was the only makeup artist on this short film, so I designed, applied and touched up the looks. Ensuring they suited the character and looked great on screen.

**Miss World (2019)**- Live broadcasting to over 900 million people, this was an incredible experience. I styled hair and applied makeup to eight different girls. Miss India, 1<sup>st</sup> runner up and Miss France, 2<sup>nd</sup> runner up.

**Hoplite 2000 (2018)**- A student short film. Hair, makeup and sfx application on the 3 main roles. The sfx included a black eye, blade wound and a bloody nose. Makeup, hair and checks on these characters.

**Hollyoaks (2019)** - I was lucky enough to have some work experience on the set of Hollyoaks, assisting their hair/makeup artists. My time there included doing makeup and hair styling, monitoring for continuity, and on set touch ups.
