

Alex James-Saleh

Qtake Playback Operator

Director of Cinevation

A bit about me:

I started out as an editor and have a variety of credits in that field but transitioned into DIT + Playback as I love being on set and solving problems under pressure. I have great people skills and always aim to over deliver.

Education

Editing and Post Production (BA) - Ravensbourne

Rig

4x Qtake rig at 1080p - if you're interested in 4k please get in touch.
