Previous Employment

Dimming Specialist / Lighting Technician

2017-2021

Warner brothers studios Leavesden
Warner Drive
WD257LP
Lighting Department

Equipment Co-coordinator

2015 - 2017

Pinewood MBS Lighting
Pinewood Studios,
Pinewood Road,
Iver Heath,
Buckinghamshire SL0 0NH

As the Equipment Coordinator for Pinewood MBS Lighting, I was responsible for coordinating our equipment across multiple productions at both Shepperton and Pinewood Studios along with many locations across the country.

I have worked with Lighting and Grip equipment ensuring it is working perfectly and prepared for shoot whilst assisting in the delivery and rigging of the equipment.

I have worked with some of the best in business along with some of the biggest film production companies in the industry whilst bridging a good network between clients.
