ABOUT

Production Coordinator / Assistant with 2+ years experience supporting commercial, motion, stills and scripted productions. Skilled in coordinating crews, equipment and travel logistics, while maintaining organised systems, documentation, and cost tracking across projects. I am a highly organised and proactive problem-solver, confident managing the day-to-day demands of production and keeping projects running smoothly within fast-moving timelines. I approach my work with a positive, collaborative mindset and a commitment to supporting the team as production demands shift and evolve. Experienced in production travel coordination, including booking flights, transfers, accommodation, and creating detailed TMO's and crew travel itineraries to ensure clear and efficient communication across productions. Alongside freelance production, I produce film industry events and screenings as part of Girls in Film (GiF), contributing to more inclusive spaces for female, trans and non-binary creatives within the industry.

OTHER WORK

FREELANCE OFFICE PRODUCTION ASSISTANT AT SHOOT EUROPE

APRIL - JULY 2025

- Managing production databases and supporting back-of-house operations, ensuring documentation and office systems are accurate and up to date
- Supporting projects across pre-production, shoot and wrap, including coordinating travel, assisting with casting and location research, and working on international shoots and with VIP talent
- Assisting with the creation of casting and location decks for client, agency, and internal approvals
- Supporting wrap processes through organising documentation, chasing invoices and payments, and logging hard drives

EVENT PRODUCER AND PROGRAMMER AT GIRLS IN FILM

MARCH 2023 - CURRENT

- Leading production for events including Girls in Film’s residency at Shoreditch Arts Club
- Managing the ‘Girls on Set’ workshop series, including overseeing partnerships with organisations such as Panavision
- Programming and hosting screenings and Q&As, liaising with filmmakers, venues, and contributors to deliver events to a high standard
