Rory Bannister is an experienced Assistant/Standby Art Director with a range of experience across narrative projects, music videos and commercials. With a keen eye for detail and proactive and organised attitude Rory is seeking to work on larger projects and continue to develop skills to further his ambition of working as an Art Director. Having started as an assistant in 2023 Rory has a broad skill set from set dressing, construction and scenic painting as well as key leadership skills such as budget management, running a standby team and organising departement logistics.
